

MASERATI GT Key Matching

Tested Model: MASERATI GT 2012

Function Description:

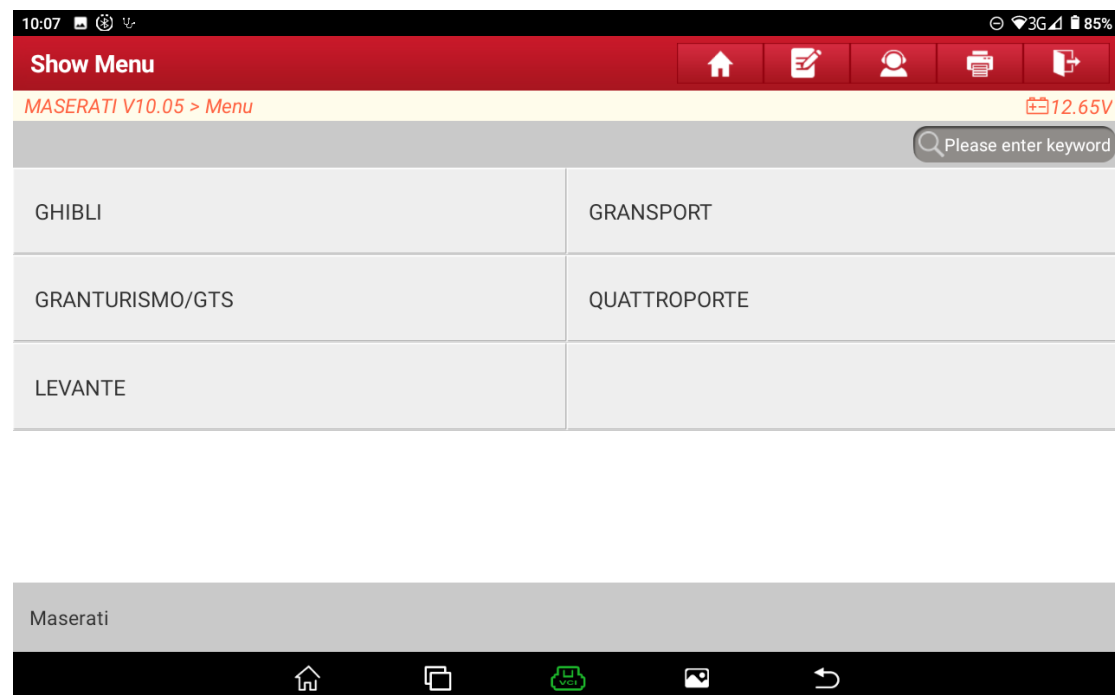

MASERATI key matching

Supported Equipment:

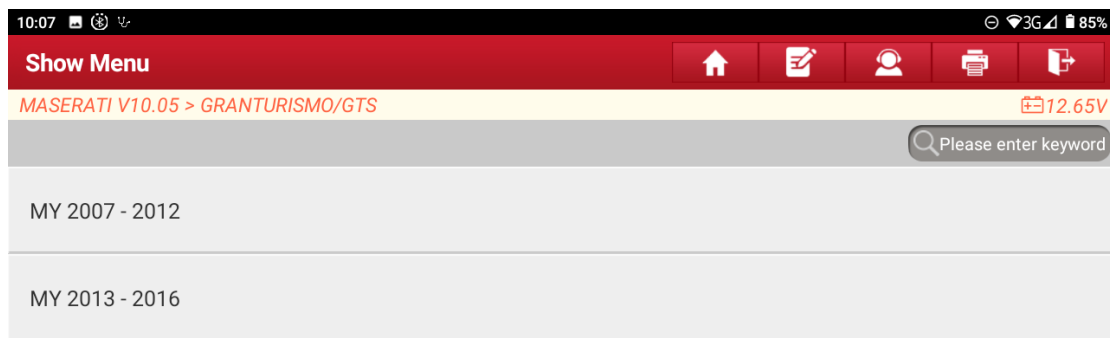

- Launch X-431 IMMO Pro and comprehensive diagnostic equipment

Procedure:

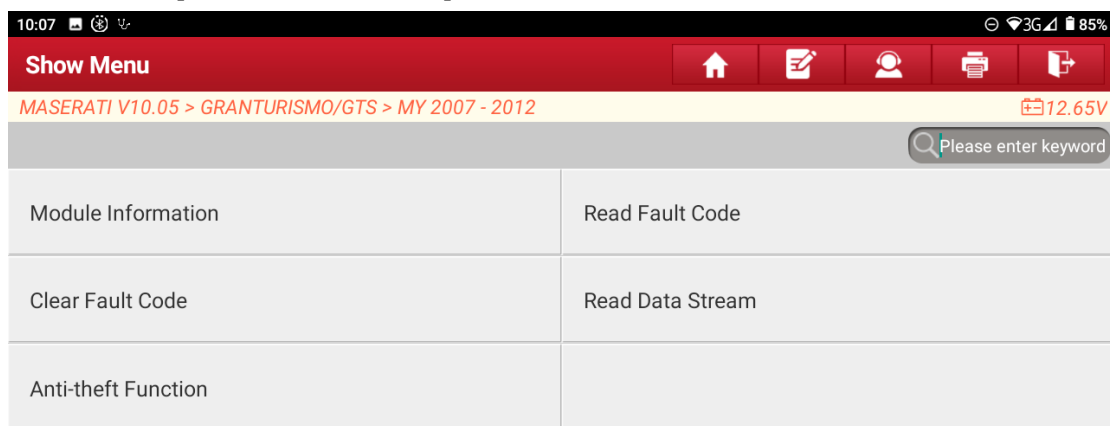

1. On an IMMO Pro, enter the MASERATI IMMO menu and choose [GRANTURISMO/GTS].

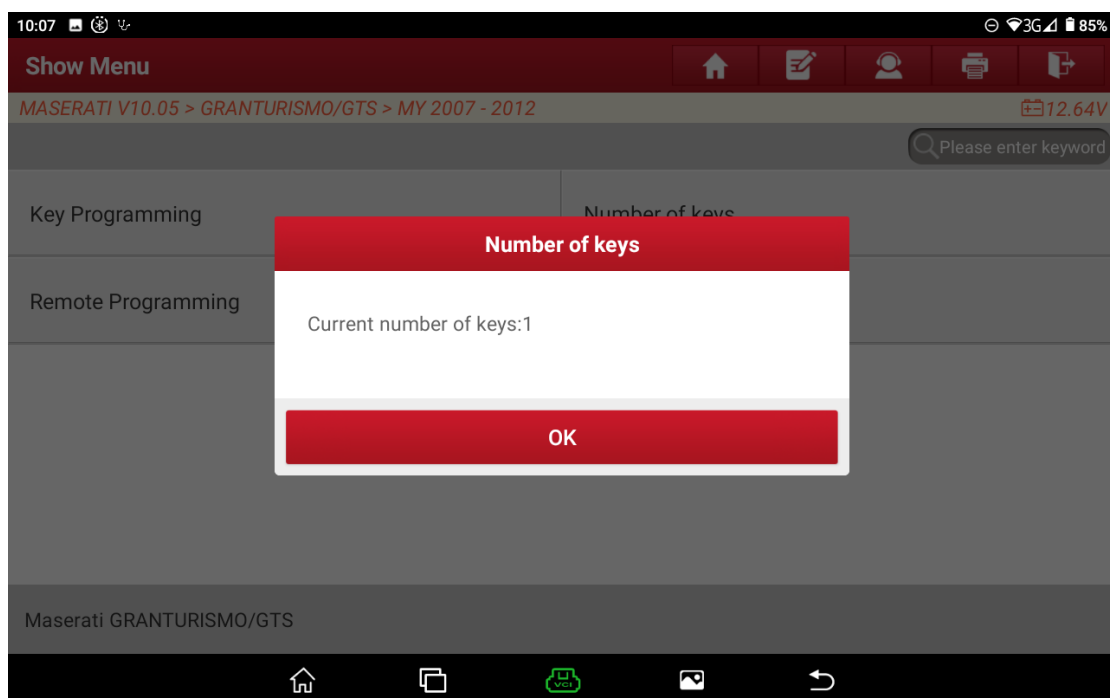

2. Choose [MY2007-2012].

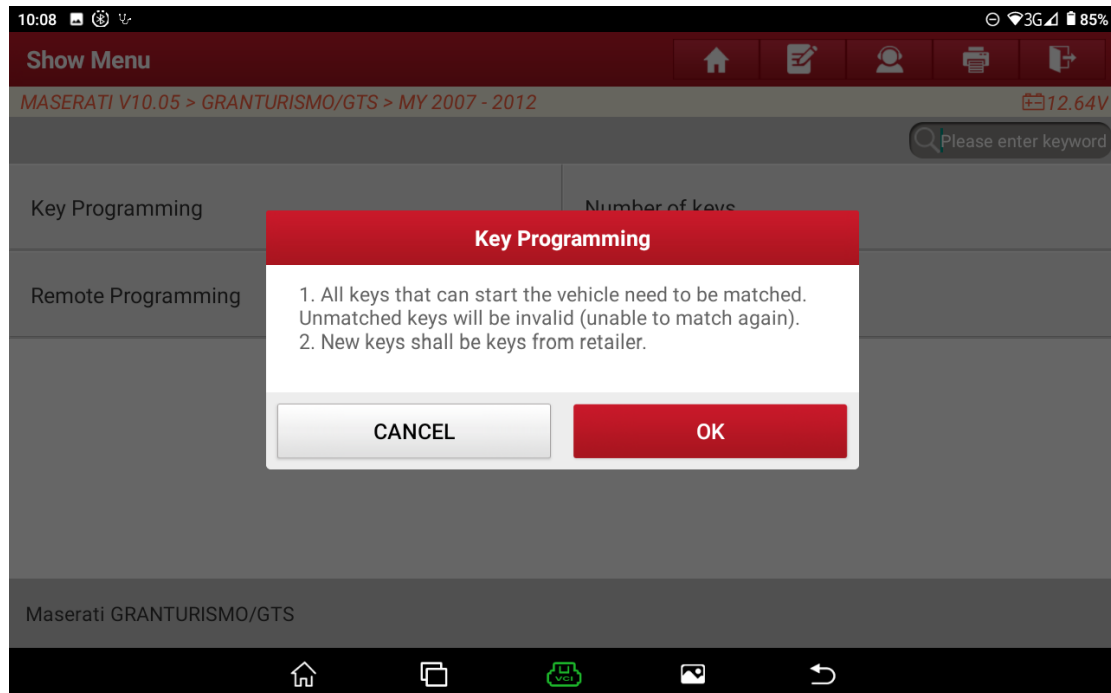

3. Choose [Anti-theft Function].

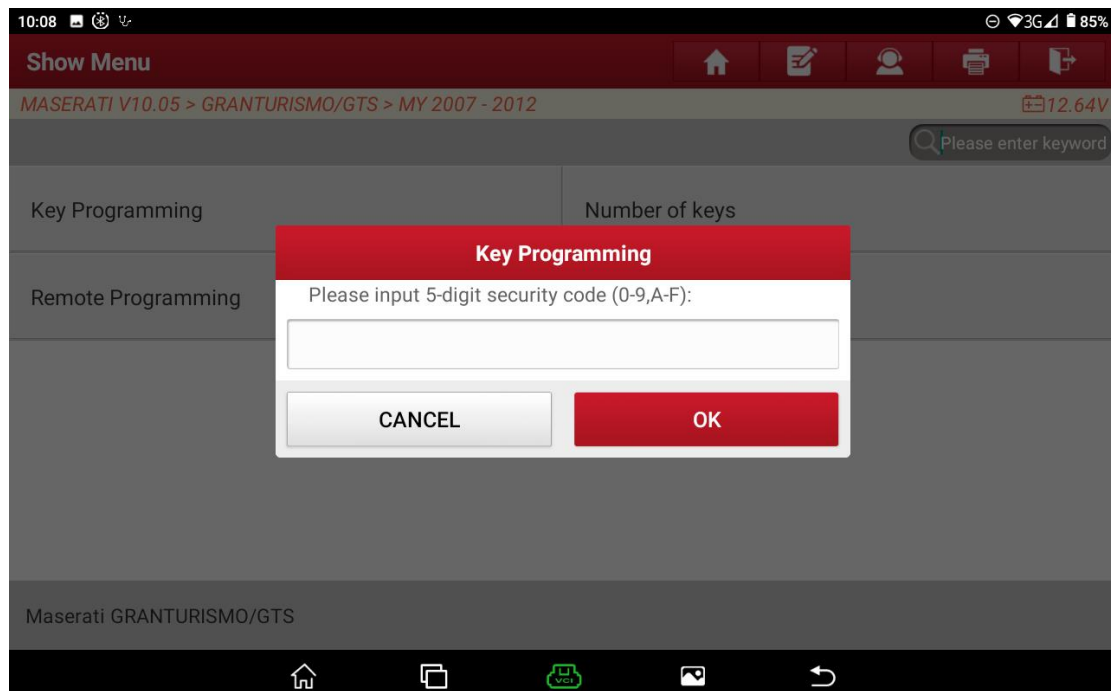

4. Choose [Number of keys].

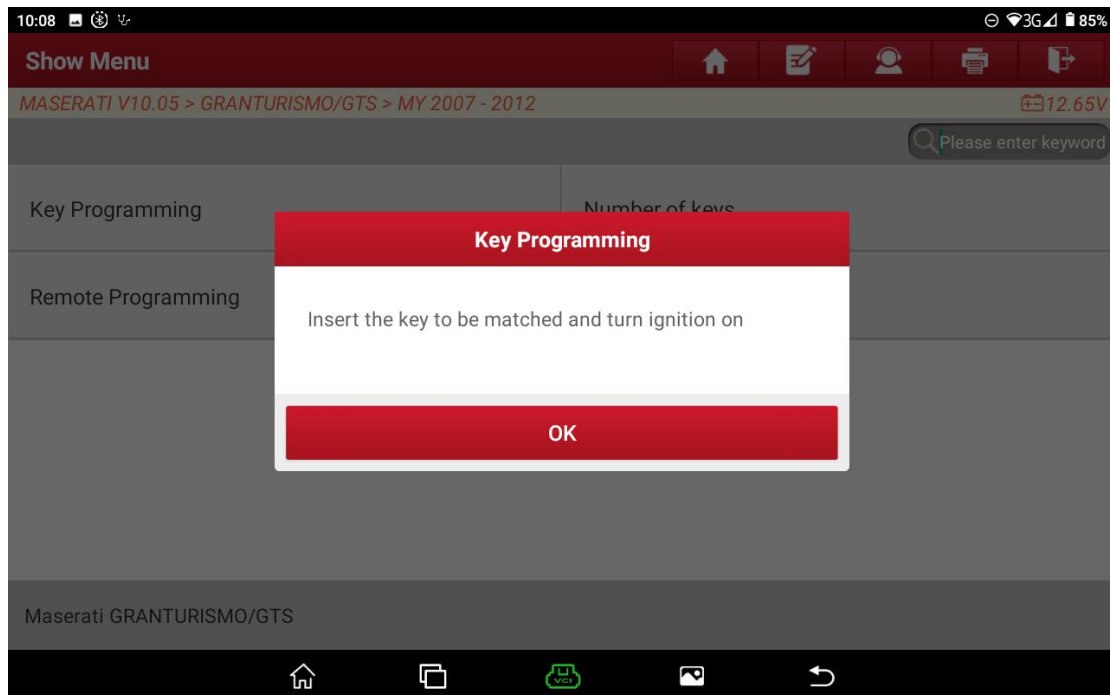

5. Execute the key programming function to match new keys. A prompt appears indicating that all keys must be matched in one session. Click "OK".

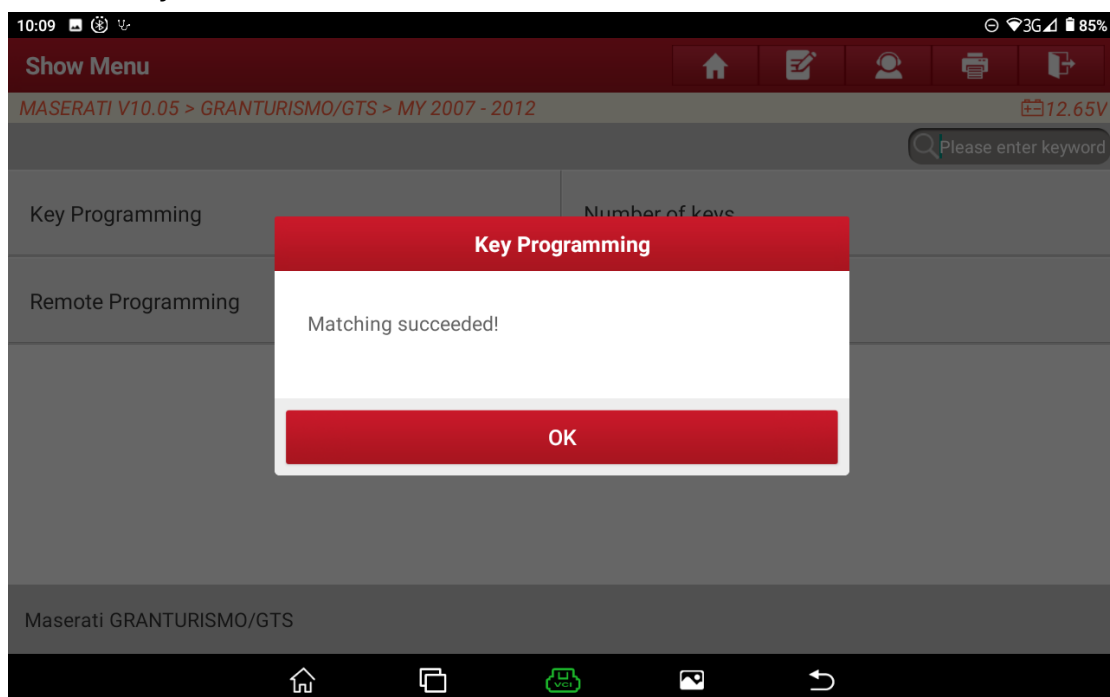

6. A prompt appears asking to input the 5-digit security code. The security code shall be obtained separately.

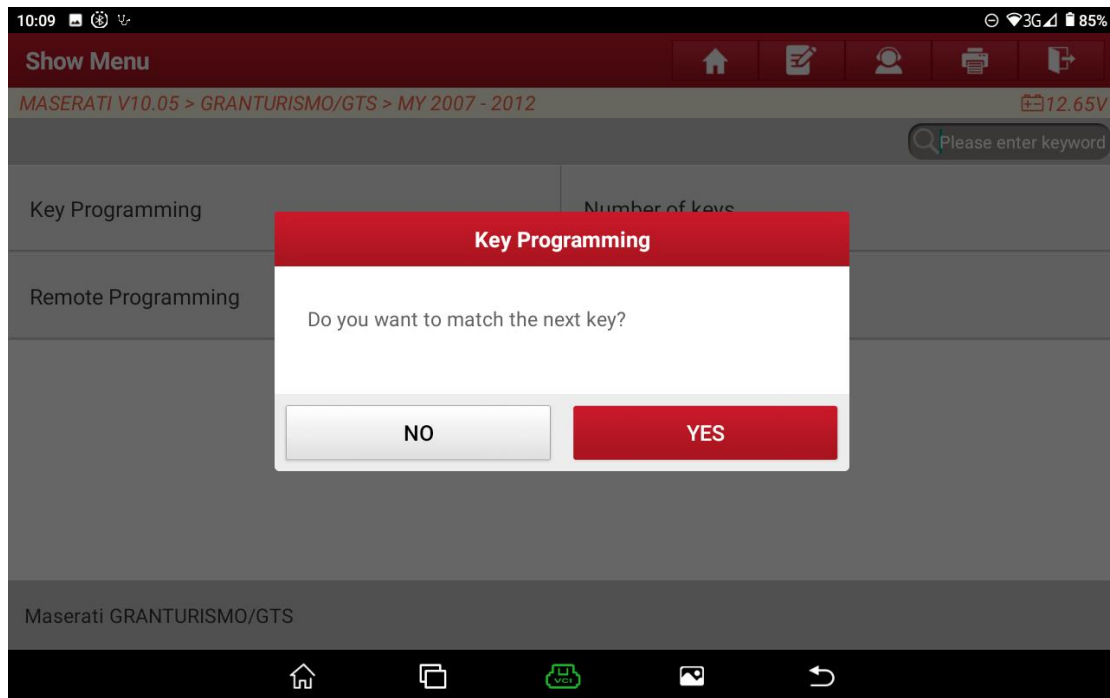

- Next, insert the key to be matched, turn the ignition switch ON and then OFF as prompted.

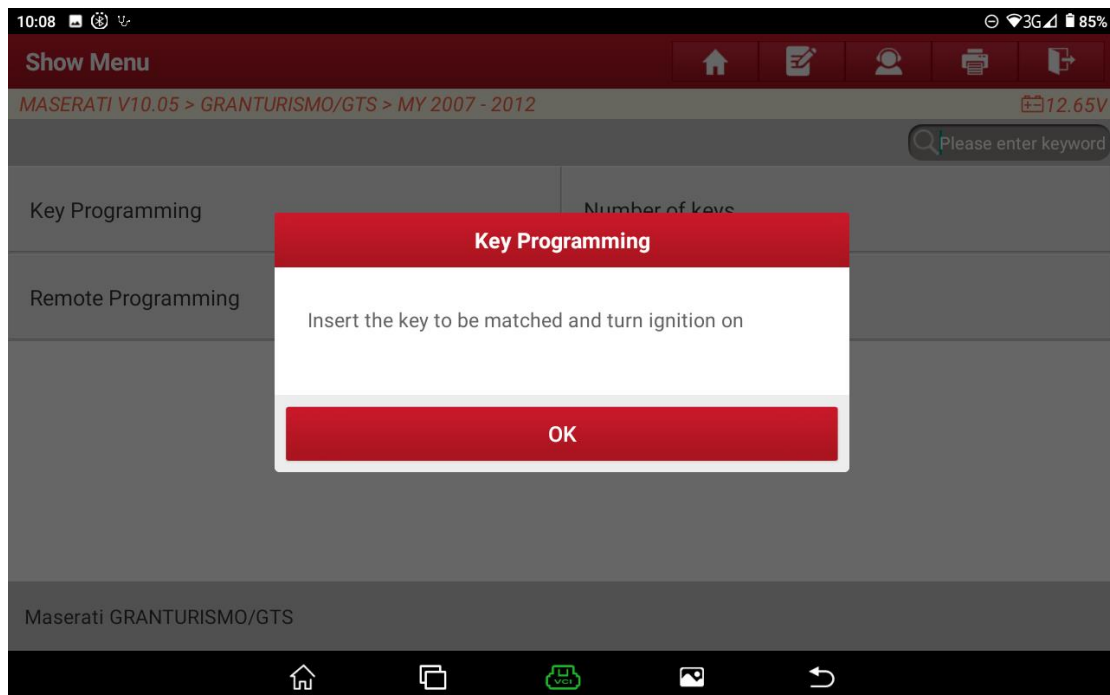

- After the prompt shows matching success, select whether to match the next key.

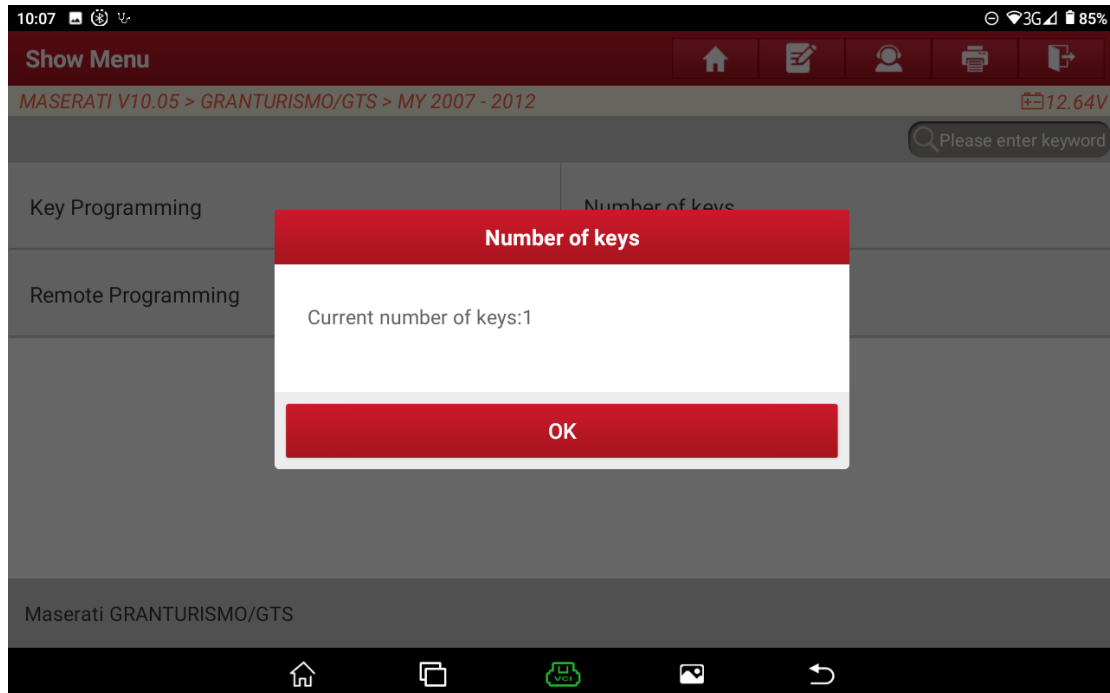

9. Click "YES" to continue matching the next key.

10. Click "NO" to read the current key count and exit. Key matching is completed.
